

Declaration of Compliance - Wrapmaster Dispensers.

The Wrapmaster range of dispensers supplied by Cofresco Frischhalteprodukte GmbH, are safe for use in a food environment. They are designed as a dispensing system and should not come into contact with the food itself.

This includes all models & codes of the following:

Wrapmaster 1000
Wrapmaster 1500
Wrapmaster 1800 (Elite)
Wrapmaster 3000
Wrapmaster 4500
Wrapmaster Compact
Wrapmaster Duo

The dispensers have been tested in a dishwasher, and were washed with no detriment to the dispenser at temperatures up to 90°C.

We also confirm that all Wrapmaster dispensers are **guaranteed for 2 years**, providing only genuine "Wrapmaster" refill rolls are used in the system.

The above guarantee is applicable within the terms of normal use and does not cover damage caused by mishandling or maltreatment of the equipment.

This statement is valid for a period of up to 2 years from date of signature.
